Very High Chemical Resistance – Stays intact for a long time

Different Sizes – A large variety to choose from

Threaded Lid – Ensures tight closure preventing foreign particles and without any leakage

ABOUT THE PARENT COMPANY

Incepted in 1992 under the umbrella brand of Om Shanti Group, is a new age enterprise, poised to redefine the set standards of water storage sector. Since then the company is adding landmark achievements to its credit and has emerged as a potent force to reckon with. This ever evolving journey towards excellence was initiated by Mr. Rajesh Wani & Mr. Ashok Agrawal, the founder director of the company.

It is a professionally managed setup with more than 2 decades of rich experience and diversified portfolio. The group's expertise encompasses all kinds of water tanks and specializes in Blow Moulding.

QUALITY POLICY

Vasundhara is committed to observe stringent quality standards in all its operations. Technological up-gradation, higher level of efficiency and thorough professionalism are company's consistent endeavors. Due importance to research and development is always given to improve systems and processes. All the members of the company aim at prompt service and the thrust is on the customer satisfaction.
